She finds it requires less attention, costs less to operate, and cooks all food better than any other stove she has ever tried.

She finds the New Perfection oven bakes and roasts perfectly. The

CONGRESSION AL

By a vote of 40 o 28, the Becate yest irday adopted the Smith amendment to the railroad bill as a sabititute for the privision granting the attorney general charge of the detense of orders of the Commerce Commission when they are attacked in the courts. ' Another amendment, agreed to without opposition, extends from 60 to 120 days the period during which the Interstate Commerce Commission may suspend the operation of a rate. Senator Aldrich endeavored ro secure an agreement for a vote on the bill on May 25. He will renew the effort today, when, it is believed, the democrats will be ready to agree on a day for a vote. There was a heated collegev between Senators Bayner, of Maryland, and Hughes, of Colorado. The regulars offered concessions to the democrate in order to secure an early vote on the rallroad bill. An early adpurnment was taken, to enable the democrats to hold a conference.

The House passed the Senste bill mending the organic law of Hawaii, with several amendments. The House would not accept the amendment of the committee on territories increasing the salary of the governor from \$5,000 to \$10-000, but adopted the Sen-t- provision increasing the salary to \$7,000 a year. An increase in the salaries of judges was agreed to. The bill constituted practically all the business before the House yesterday, and was the only measure considered.
